

### Special Raffle One for 2m/70cm Transceiver

Are you wanting a high-end C4FM Digital/VHF/UHF rig but don't want to spend \$450+ to get it? We have a great opportunity for you! Winterfest 2026 brings you a special raffle opportunity to win a **BRAND NEW YAESU-FTM-310DR with ASP option.**

**A rig like this  
could be yours!**

**\$10 per ticket,  
only 80 tickets to  
be sold.**

**Yaesu FTM-310DRASP C4FM 55W 144/430MHz Dual Band Mobile Transceiver with ASP**

**Tickets are available only at Winterfest. Bring cash or credit cards.**

If you are not present at the time of the drawing, arrangements will be made for the transfer or delivery. (Shipping costs are not included.)
